Dear Damien Douglas,

This letter is in response to your Final Grievance Appeal, #OSP-2020-02-016AA, in which you allege you have never been asked to keep the noise down during a religious services activity.

I have reviewed your appeal, as well as all prior documentation relating to this grievance. Not only volunteers, as you mentioned, but Chaplains from the department's Religious Services Unit have had to respond to this event and have asked the Adults in Custody to quiet down and refrain from vulgar language. OAR 291-143-0130 allows the Department of Corrections to restrict religious services activities when deemed necessary.

Thank you for addressing your concerns appropriately. This concludes the grievance review process for this matter.

Sincerely,

Daryl Borello
Administrator

List in detail all the reasons you disagree with the original grievance response or initial appeal response. (For the initial appeal, attach original grievance form and staff response. For the final appeal, attach the initial appeal form and response as well as the original grievance and response.)

I'm appealing Yonas's appeal response because it's full of lies because
 Stillmecker ~~has~~ never has come and asked me or the NOI Summer
 Prayer Service to quiet down nor has any volunteer ~~from~~ has ever
 asked me or the NOI group to quiet down. The NOI & VPL services
 is separated by a folding wall and the VPL's volunteers has never asked
 me or the NOI Prayer Service to be quiet. The above is lies and it
 being used to justify cancelling the Jan. 24th, 2020, Prayer Service.
 I'm dropping this in the grievance Box on 3-25-20 @ approx. 6:30 PM.

Describe what action you want taken to resolve the grievance appeal if different from original grievance submission.

Open the NOI Prayer Service.

Dear Mr. Douglas,

This letter is in response to your Initial Grievance Appeal, #OSP_2020_02_016A, in which you claim there is no safety or security concern with NOI Jummah Prayer.

I have reviewed your appeal, as well as all prior documentation relating to this grievance. On occasion, the Adults in Custody (AICs) at Jummah Prayer were being loud and using inappropriate language. Both Chaplain Stahlnecker and Chaplain Thompson, from their respective offices, could hear loud voices coming from the room. Chaplain Stahlnecker had to leave his other duties to come tell the group to quiet down. There were also reports from volunteers in the rooms nearby that stated that this group has been loud a number of times and they had to leave their service to ask the group to quiet down. This type of behavior is not permitted in the chapel area. At the chapel, it is our expectation that all AICs show respectful behavior and respect the space of others.

According to OAR 291-143-0130 Restriction of Religious Activity/Items: An inmate's participation in approved religious activities and possession of approved religious items may be restricted by the Department of Corrections when deemed necessary to maintain facility security, safety, health and order, or to further inmate rehabilitation or other penological interest, consistent with applicable legal standards. Staff and volunteers that must leave their station to deal with a disruptive group does create a potential security risk in the chapel. Temporary suspension of the service was appropriate, based on AIC continued disruptive behavior. In consultation with our Islamic advisor, sending the weekly khutba to read in cell is an alternative when the group services cannot be accommodated.

Thank you for addressing your concerns appropriately.

Sincerely,

Stuart Young
Assistant Administrator

I'm appealing the grievance response because cancelling the NO1 Summ Prayer Service on Jan. 24th, 2020, is not the least restrictive means for me to perform the mandatory Congregational Prayer Service that God commands me to perform ~~the mandatory~~ in the Holy Quran in a group. There has never been any ~~First~~ Fist Fights in any NO1 Summ Prayer Service to justify relying on "Safety & Security" concerns or any aggressive loud arguments. Indeed, the video & audio recordings ~~underlying~~ any Summ Prayer Service will prove that there has never been any Fist Fights or aggressive loud arguments or any squaring off preparing to fight to justify my ~~own~~ "Safety & Security" concerns. I'm dropping this in the grievance Box on 3.9.20 @ approx. 8:15pm

Describe what action you want taken to resolve the grievance appeal if different from original grievance submission.

List, in detail, action(s) taken. (What action was taken? Was the action what the inmate requested? If not, why? Who took the action? When was the action taken – date/time?)

On December 31st, due to noise issues and issues of disrespectful language at a high volume continuing from August of 2019 through December of 2019 the Nation of Islam group was suspended due to safety and security concerns. Because this was a group issue and not the behavior of a single individual the whole group was suspended. During the suspension each individual on the roster is being sent the weekly khutba (prayer) and is being provided opportunity to shower at mid-day before they say their prayers. The only suspension is the corporate prayer that has caused continuous disturbance. It is our intention to provide the least restrictive means of practice for members of this community that adhere to the safe and secure operations of our area. Attached please find a copy of the memo sent to all men on the roster.

INTEROFFICE MEMO

DATE: 12/31/2019

TO: NOI Community Members
FROM: Chaplain Karuna Thompson & Chaplain Dennis Stahlnecker

SUBJECT: Suspension of NOI Jumuah Prayer for 90 Days

Due to continuous issues regarding disrespectful language and behaviors in this group it will be suspended for 90 days. During this time the chapel will send people on the list for the service the weekly Khutba so that members of the community can perform their prayer independently. When the services resume again on April 3, 2019 the group will be expected to say their mandatory group prayer, read the khutbah without discussion and clear the room following the service. No lingering in the room or outside conversation will be permitted. Attached please find a copy of the Religious Services Department Procedure on Jumuah Prayer.

	Oregon Department of Corrections Religious Services Procedure
Subject:	Procedure for Chaplains to Coordinate, Facilitate and Supervise Islamic Jumuah Prayer Each Friday
Effective Date:	September 21, 2005
Decision Maker(s):	Tom O'Connor Administrator, Religious Services Paula Allen, Chief of Security Institution Security Managers
Related Rule	OAR 291-143: Religious Activities (Inmate)

Purpose

Rule 291-143-0070(1) states that a chaplain or designee in each facility shall be responsible for the "coordination, facilitation and supervision of inmate religious activities". This functional unit procedure provides guidelines for chaplains or their designees to coordinate, facilitate, and supervise Jumuah (or Friday) prayer for Muslim inmates. This procedure applies when there are no Islamic volunteers available to conduct Jumuah prayer. The procedure represents the views of the Oregon Department of Corrections about Jumuah prayer.

Definitions

Jumuah Prayer: The word Jumuah means Friday and all Muslims are expected to attend Jumuah or Friday prayer. The Holy Quran, the most sacred Islamic text, says "O you who believe! When the call is made for Friday prayer, then hasten to the remembrance of Allah and leave off business; that is better for you, if you know" (Quran 62:9).

Khutba: A khutba is a talk or a sermon that is said aloud by a speaker (the khateeb) at Jumuah prayer. The khutba should contain at least one verse from the Holy Quran and one Hadith (or saying) from the prophet Muhammad.

Procedure

- An ODOC chaplain or designee will coordinate, facilitate, and supervise Jumuah prayer each Friday when: 1) at least three inmates in the facility request Jumuah; and 2) a chaplain or designee is available to do so at the facility. When a chaplain or designee is not available, inmates may not "direct, lead, or conduct" Jumuah prayer on their own (Rule 291-143-0070(4)).
- The chaplain will assign Muslim inmates, on a rotating basis, to be responsible for different roles or parts in Jumuah. One person does the "call to prayer." One person reads the assigned Khutba. The third person (and anyone else who is present) listens to the Khutba and makes other prayers (or Rakah – standing, bowing, prostrating, and sitting). The chaplain should always seek to assign the khutba and the call to prayer only to inmates who demonstrate pro-social behavior. The person who is chose to read the khutba is not permitted to change it, or discuss its contents during Jumuah.

- Prior to Jumuah each week, a chaplain will obtain a written copy of a khutba from a Muslim source recognized by the department.
- Jumuah must take place in the afternoon during a certain time period that is allotted for Jumuah prayer by the Muslim faith.
- A staff chaplain or designee will supervise Jumuah prayer as it takes place.
- Islamic practice mandates that everyone should remain silent while preparing for and during Jumuah prayer. Therefore the chaplain or designee should encourage everyone to maintain a respectful silence during Jumuah prayer.

I'm grieving Chaplains Dennis Stallnecker & Karina Thompson
for cancelling the Fri. Jan 24th, 2020, NO1 Prayer Service because
it is a burden on my spiritual growth & development. God commands
me to participate in congregational prayers on Friday in Holy Quran
Surah 62: 9-10. There is no other way for me to participate in
the mandatory Friday Sunnah Prayer because I cannot perform
the congregational Prayer by myself. I'm dropping this in

Describe what action you want taken to resolve the grievance. (How can the problem be solved?)

Every Friday I miss my obligatory Friday Prayer Service is
